Abstract Of Definition

- This definition only works for freelancer. Many students, employees, businessmen, government agencies who face problems in completing their projects.
- This application appoints such writers and designers , ppt makers , work in excel sheets and so on, who are expert in doing this work.
- It will also be a start-up for any person because after covid , many people want to open their own start-up, also useful for unemployed person and not graduate person , so this website is also helpful for them.
- So those who have good designing and good writing skills and experience can get the opportunity to work.

Problem solved by your Idea

- This application is a startup for any person like : Student after 12th , unemployed person, graduation, after graduation, full or part time job ,housewives, etc. because after covid , many people want to open their own start-up, is not only useful for agencies , businessman but also for students and for any housewife.
- From this application many people can get opportunity to show their talent and earn online from home .
- Many websites is there like this we will see it in further slides but in that only experienced person can do work but in this website non-experienced person can get work .
- In this website only person required their qualification till 12th .

Study of Similar Ideas

Fiverr-Freelance Service

- High commission charge (20%)
- Payment process can take up to 14 days.
- As a new seller, you might need to undercut yourself because pricing is competitive.
- There are no assurances because the money may fluctuate (especially unless you have a regular stream of positive reviews).

Taskify

- Less commission charge (10%)
- Payment will be done ,when work will be submitted by user to client.
- As a new seller , you dont have to undercut yourself because in this website charging is according to work.
- There is assurances of money because in this website user will get work according to their experience

Study of Similar Ideas

flexjobs

- flexJobs is not free so you will have to pay to apply for jobs through the site.

Homepage

The image shows the homepage of Taskify, a platform for hiring freelancers. The top navigation bar includes links for Features, Pricing, About us, Blog, Sign In, and Sign up. The main headline reads "HIRE THE FREE LANCER FOR YOUR WORK." Below this are two icons: a male freelancer in a suit and a female client in a red cardigan. A large white section highlights a feature: "This website is help you to make your work quickly . In thi website you get so many experienced workers or freelancer,, to complete your work in a short time ." It features a "Try now" button and a "Learn more" link, accompanied by a photo of a woman working at a desk. Another feature section shows a group of people working together, with a "Try now" button and a "Learn more" link. The footer contains the Taskify logo, language selection (English), copyright information (© 2022 Brand, Inc. • Privacy • Terms • Sitemap), and social media links for Twitter, LinkedIn, Facebook, and YouTube.

About Open to work

I'm Jay Rutherford and I have a passion for writing, and designing. I enjoy writing on a variety of topics and I take pleasure in immersing myself in learning about new and exciting areas. I have plenty of experience in the mental health field and educational setting as I have a bachelor's in Psychology and have worked in education for many years.

Future Direction

- This application aims on providing verified quality local workers to the clients doorstep.
- In future, if 10 projects of a client are completed then they will have to take subscription to continue use of web-application.
In them they will get 5-10% discount
